authentic, rarefied
experiences that

history and traditions of
the British countryside
and the people that
make it so special.

Welcome to Humphreys of Henley.

I was inspired to launch Humphreys of Henley by my love of the English countryside. I was brought up in the Cotswolds and currently live in the Chilterns. My desire is to share the hidden wonders of these places that are so often missed by visitors.

Our guests provide our proudest moments, when we see their eyes widen in amazement at the majesty of a hawk in full flight, or their absolute joy when they shoot their first clay from the skies.

When we plan your itinerary with you, we identify each detail that will make the day totally memorable for you. Your passions and interests are at the heart of the itinerary, and will create fabulous countryside experiences.

Our guests tell us that they value the knowledge that they can trust us to deliver exactly what we promise...and more. They value the break from decision making in their busy lives; the only decisions that you will make on the day is what to wear and what to eat.

Let us do the research, coordination and planning so that you can optimise every moment of your precious leisure time, it's what we love doing and, I'm proud to say, we are very good at it.

My team and I look forward to creating your memorable experiences for you and welcoming you to our favourite place in the world.
