# WELCOME TO THE WIMBLEDON CHAMPIONSHIPS

Wimbledon is the oldest tennis tournament in the world, and is widely regarded as the most prestigious of the 4 Grand Slams. It has been held at the All England Club in Wimbledon, London since 1877 and is played on outdoor grass courts.

The British hosts protect and treasure the traditions. You will see no advertising and respect for the players and fellow spectators is required of all visitors. A visit to Wimbledon is not complete without the traditional strawberries and cream and the accompanying cup of tea during a break in the play on court.

The All England Club even employs the services of Rufus, the hawk, to scare away birds which may disturb a match.

There is no dress code for the spectators, except if you are lucky enough to be invited into the Royal Box, but the all white dress code for the players is strictly enforced. It is widely believed that this is so the only focus is on the exceptional tennis skills of the players.

Wimbledon has enjoyed many memorable moments including the longest match ever played, lasting 11 hours and 5 minutes between John Isner and Nicolas Mahut in 2010.

make it so special.

## Welcome to Humphreys of Henley.

I was inspired to launch Humphreys of Henley by my love of the English countryside. I was brought up in the Cotswolds and currently live in the Chilterns. My desire is to share the hidden wonders of these places that are so often missed by visitors.

Our guests provide our proudest moments, when we see their eyes widen in amazement at the majesty of a hawk in full flight, or their absolute joy when they shoot their first clay from the skies.

When we plan your itinerary with you, we identify each detail that will make the day totally memorable for you. Your passions and interests are at the heart of the itinerary, and will create fabulous countryside experiences.

Our guests tell us that they value the knowledge that they can trust us to deliver exactly what we promise...and more. They value the break from decision making in their busy lives; the only decisions that you will make on the day is what to wear and what to eat.

Let us do the research, coordination and planning so that you can optimise every moment of your precious leisure time, it's what we love doing and, I'm proud to say, we are very good at it.

My team and I look forward to creating your memorable experiences for you and welcoming you to our favourite place in the world.
